

Restaurant Raffle 2016

Hi everyone! Welcome to the Howard Music Restaurant Raffle for 2016. This is one of the biggest fundraising events for the Howard music students, with all proceeds going towards the student accounts for the spring trip. This is the fundraiser for the students, and by the students! This year promises to be no different, with 18 restaurants already generously contributing over \$700 in gift cards to be raffled off.

The Music Boosters have hosted this fundraiser for many, many years, and this year we are trying something different.... we are going 100% virtual! Yes, we are going to do this year's raffle all online, making it easier for everyone to setup, share and manage the fundraiser. We are using an online service called Raffle River, who specializes in online fundraisers. With this service, it's very easy for anyone to purchase tickets online and also to spread the word about the raffle to anyone who might be interested. We are very excited towards this change and we are looking forward to some great results!

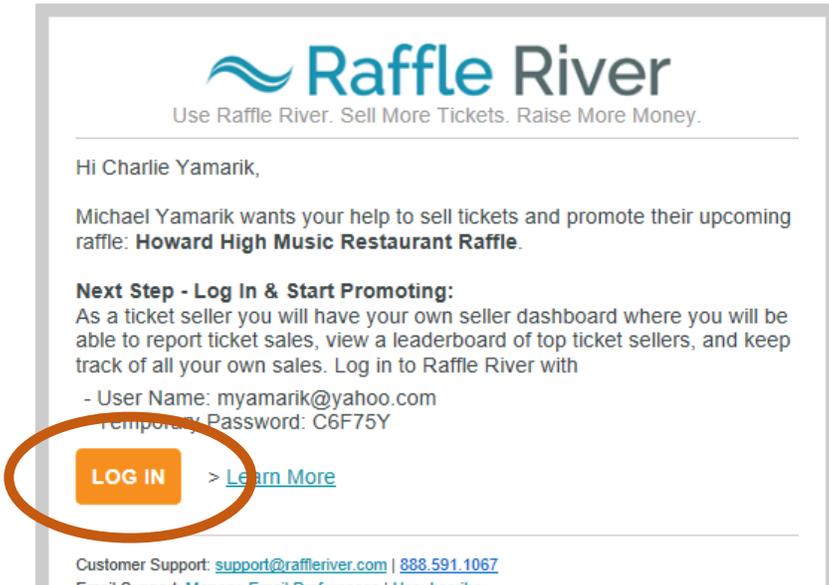

Once you sign up with your name and email address (via the link provided to you by the Music Directors), you will receive an email invitation for Raffle River. The following guide will give you a good overview on how to set up your account and start the using the site. If you have any questions regarding the Raffle, please don't hesitate to email the Music Boosters at HHS.IMB@GMAIL.COM

Thank you to everyone for all your efforts and good luck!

Regards,

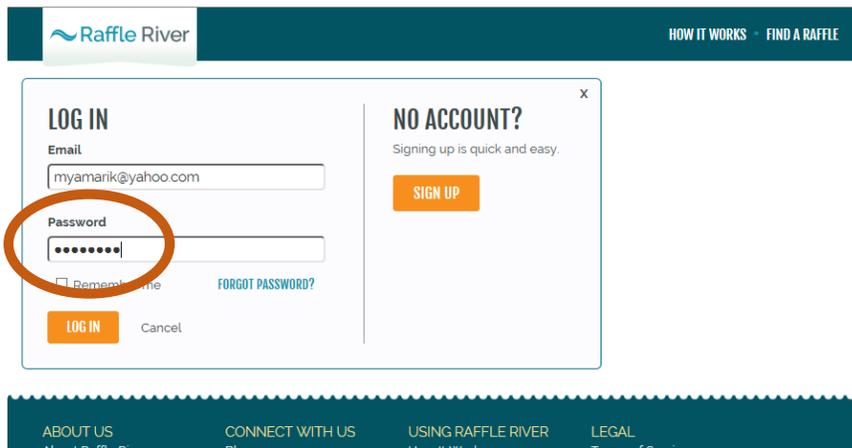

The Music Boosters

SETTING UP AND USING RAFFLE RIVER

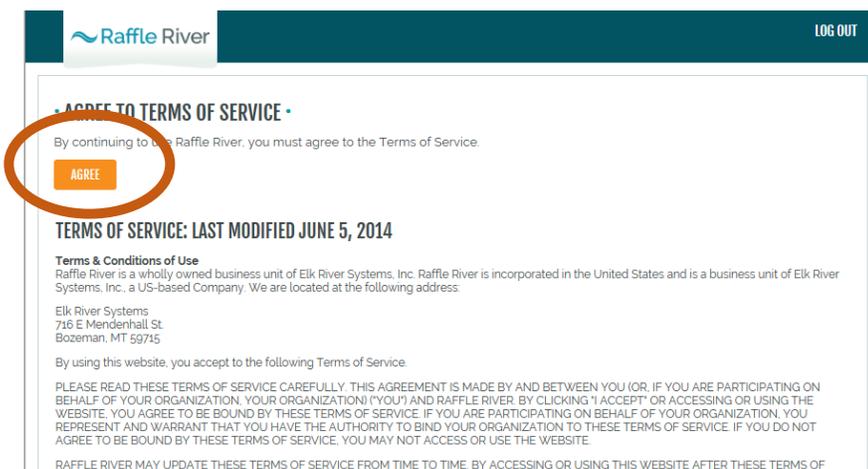

Once you receive the email from Raffle River, click on the “Log In” button to go to the site and complete your account.

Each student will need to set up an account on the Raffle website so we can track everyone’s ticket sales.

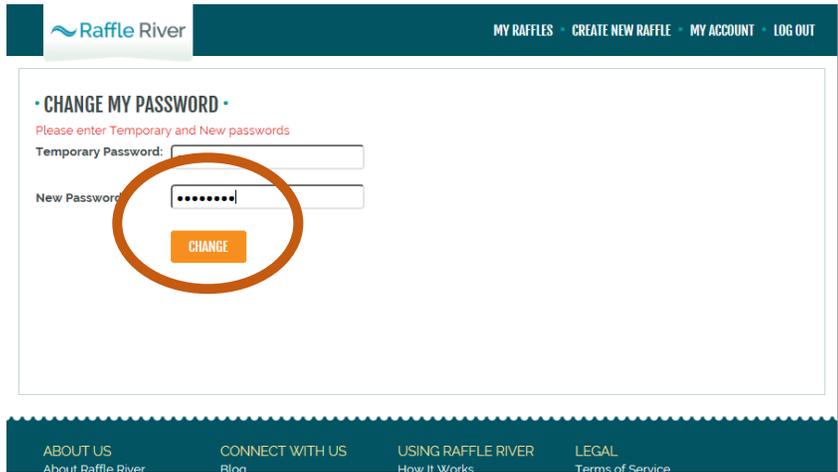

The Raffle site will use the same email address you provided to set up your account. Enter the temporary password that was provided in the email and click on the “Log In” button.

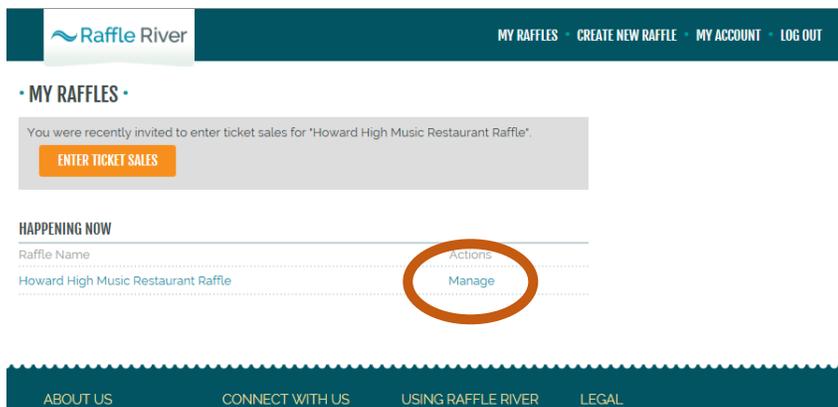

After you enter the temporary password, you will need to “Agree” to the standard terms of service for the Raffle River website.

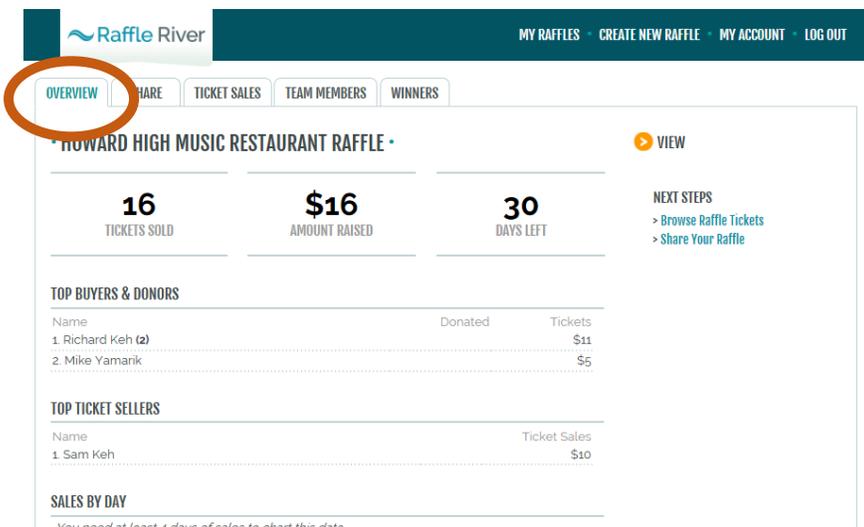

Its important to note that the site does not store any personal information beyond your name and email address.

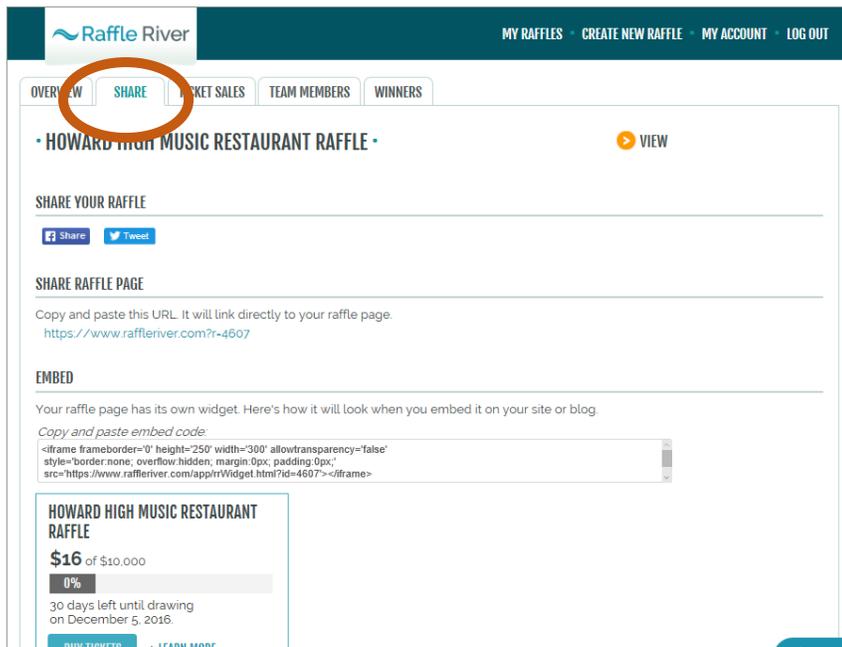

After you agree to the terms of service, you will be prompted to create a new password that you will use each time you access to Raffle site.

Now, your account is set up and you are ready to see your progress by clicking on the "Manage" link next the Music Boosters Restaurant Link under the list of raffles.

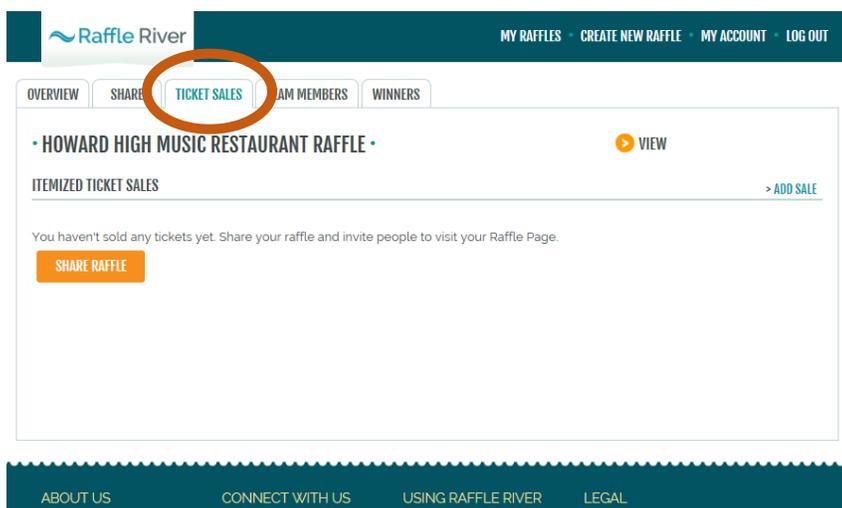

This is the Raffle dashboard that shows you everything that's going on with the Raffle. The **Overview** tab shows a summary of the overall Raffle progress across all of the students involved with Howard Music.

The **Share** tab allows you to send links via Facebook and Twitter to anyone who follows you. You can also copy the raffle link to send via email or a widget for the Raffle on any website that you've created.

Sharing is key! This is how you can spread the word about the Raffle and get all your friends and family to buy tickets being sold by you!

Lastly, the Ticket Sales tab will show all of the tickets you have sold and to whom. This is a great way to make sure where you stand with your progress, and to see if anything might be missing.

Now you are ready to start sharing the raffle and tracking your sales! The next section will show you what the Raffle page looks like to those who are buying tickets. A few notes on some very important items related to ticket selling:

1. When anyone buys tickets, they need to designate you as the "Referrer" on the ticket purchase screen. It's very simple for them to do on the web site, but it's also easy for them to forget. If someone has made a ticket purchase and forgot to designate you as the "Referrer", then contact the Raffle Managers to let them know.
2. All ticket sales that you refer go towards your student accounts. There is a small fee that is associated with each transaction, that will be applied at the end of the Raffle. This fee allows us to hold this raffle online, making it much easier for all those involved.
3. In addition to Raffle tickets, buyers can also make an additional donation when they are purchasing tickets, if they so choose. After they enter their number of tickets and their credit card information, they will be prompted for this additional donation. These funds will also go into your student accounts.

BUY TICKETS You will review and confirm payment on the next page before you are charged.

Payments are encrypted and secure. We don't store credit cards. **Powered by stripe**

Chances may be entered without charge. A purchase or donation will not increase your odds of winning. You may obtain one free chance by requesting it in writing, via the US Postal Service, at Howard High School Music Boosters, Howard High Music Restaurant Raffle - "AME", 8700 Old Annapolis Rd, Ellicott City, Maryland 21043. ONE FREE ENTRY PER PERSON IS PERMITTED.

This Restaurant Raffle is one of our biggest fundraisers for the year. The proceeds will go towards the student accounts to offset the cost for the Spring Trip to Orlando. Your kind generosity is greatly appreciated and all donations are tax deductible.

The HoHS Music Boosters Restaurant Raffle supports the Howard High School music students in raising funds for their annual Spring Music Trip, which this year is to Orlando, FL.

This is what the Raffle page looks like when you send the link to somebody. It gives an overview of the Music Boosters and why we are doing this raffle. It also lists our generous sponsors who help make this Raffle possible.

The main purpose of this page is to allow anyone to easily purchase tickets online. They can select as many tickets as they'd like and then enter their contact and credit card information.

As noted earlier, when anyone buys tickets, they need to designate you as the "Referrer" on the ticket purchase screen. This is a pulldown list that shows all students involved. As long as you have an account created in Raffle River, you'll be on the list!

And that's all there is to it! Good luck to everyone!
