

Howard High School Music Boosters Patron Program

The Music Boosters is an organization dedicated to the promotion and support of musical excellence throughout the Music Department at Howard High School. Our goal is to support the directors and students as they work together to improve and perfect both individual and group performances. We achieve this with the continued support of the school administration, Board of Education, students, parents, and the community.

Along with providing volunteer support, the Music Boosters work to raise funds to supplement the HCPSS music budget. These additional funds are used to purchase: • Printed Music • Instruments • Instrument Accessories & Repair • Guest Clinicians • Uniforms and Concert Attire & Maintenance.

The Howard High School Music Boosters depend on the generosity of the community to help us fulfill our mission. We coordinate various fund-raising campaigns throughout the school year, yet we depend on direct donations through our Patron Program to fund the majority of our expenditures. Please consider becoming a Patron to show your support of music at Howard High School. **All donations are tax deductible.**
